# The *Dawg* House

You don't have to be BAD to be in This House

**GCH Coldstream Major Mischief Second to None JFT TKN CGC** had a really great fall hunting pheasants in Montana and Wisconsin. We were so pleased with the progress on retrieves. In addition, we had a great deal of fun introducing **Timberwyck Vesper - Shaken Not Stirred** to her first pheasant hunt. She was not fazed by shotgun fire. She was a real trooper in the tall cover. When a bird crawled into a space too small for Major, she crawled in and came out with the bird. We are really having fun with this next generation of hunting Airedales
